Following the success of last year's inaugural WOW!house, a new cohort of designers is transforming the Design Avenue at Design Centre, Chelsea Harbour, SW10, into a lateral showhouse. Of the 18 participating interior design studios, 12 have teamed up with a resident Design Centre brand on the [decoration](#) of a particular room.

WOW!house is at Design Centre, Chelsea Harbour, SW10, June 5-July 6, Monday-Saturday 10am-6pm; standard tickets cost £20. [dcch.co.uk/wowhouse](https://dcch.co.uk/wowhouse)

## House of Rohl Bathroom by Studio Mica

Stepping into this bathroom feels like you've left the UK altogether, and have landed in a tropical rainforest. The space is designed by Studio Mica in collaboration with room sponsor House of Rohl. An earthy colour palette complements brass hardware, timber, clay, and cork with woven paper yarns from Woodnotes and raffia wallcovering by CMO Paris. It's a feast for the eyes.
